

New Electric Vehicles Now Cost Less

Get up to **\$4,000 off**
your EV purchase or lease today

Charge Up New Jersey offers state residents a “cash-on-the-hood” incentive.

You can enjoy the many cost-saving and environmental benefits of driving electric plus the high-tech, high-performance experience electric vehicles (EVs) deliver.

Which EV is right for you?

A variety of new battery electric vehicles are eligible.

BEV

- **Battery Electric Vehicles (BEVs)** – Offer all-electric driving, zero tailpipe emissions, lower fueling costs and far less maintenance.

What are the incentive amounts?

All Eligible
EVs

- You earn \$25 for each mile of all-electric range as determined by the U.S. Environmental Protection Agency mileage ratings up to \$4,000 for vehicles with a MSRP under \$45,000, or up to \$1,500 for vehicles with a MSRP between \$45,000 and \$55,000.

How does it work?

Program
Eligibility

At a new car dealership or showroom, you will only need a valid New Jersey driver license, or if you are an active duty military member stationed in NJ you will need current military orders as proof of state residency. The dealer will submit all of the required paperwork. For more information and complete eligibility requirements, visit the Charge Up New Jersey website.

With over 30 EV models available in all price ranges, as well as incentives and fueling options that save you time and money, there's an EV for everyone!
